The Boards are excited to announce that the South Pool will have an extended season again this year, remaining open until September 15! We hope everyone enjoys some extra pool time! The East Pool will close on Labor Day (September 2). Both pools will open on Saturday, May 25.

NEW FOR 2024: *We are excited to now offer a mobile pass option for users!*

Mobile Passes: Each mobile pass is user specific and can be assigned to only one mobile device. Instructions and a link to the Brivo Mobile Pass app will be sent electronically; the app must be downloaded directly onto the specific user's smartphone. The Brivo Mobile Pass can be utilized to gain access to the pools; no additional access card will be necessary. Each household is allowed a MAXIMUM of FOUR (4) access cards or mobile pass accounts (in total). For example, each household may have up to 4 access cards, up to 4 mobile pass accounts, or any combination of such (e.g. 2 access cards and 2 mobile pass accounts), with the total number of either cards or mobile pass accounts not to exceed 4. An access card is still required to gain entry to the tennis courts.

Please utilize the instructions below to complete your pool access registration. *Failure to complete the required online registration for pool access will prevent you from gaining access to the pools.*
