Community Newsletter
October 2020

The Boards of Directors of the Saddle Rock South Authority and the Saddle Rock South Metropolitan District Nos. 2-4 (together known as the “Authority”) intend to provide periodic updates to the community via a Community Newsletter. For additional information, please contact the Authority Manager, Ashley Frisbie, at SaddleRockSouth@wbapc.com.

2020 Pool Season: Thank you all for your patience and flexibility as we worked to comply with the state’s requirements for pool usage this summer. We hope everyone enjoyed their time, and we look forward to seeing you next pool season!

Community Clubhouse: The clubhouse remains closed to rentals at this time. We continue to monitor public health orders and local, state, and federal mandates to assess reopening and will provide updates when available.

Tennis Courts, Basketball Court, and Playgrounds: The tennis courts, basketball court, and playgrounds are open. Please remember that facial coverings are required to be worn outdoors for all individuals over the age of 10 years where social distancing cannot be maintained. These facilities are not being cleaned or disinfected, so please play at your own risk.

The Tri-County Health Department issued a Public Health Order for Arapahoe County on October 16, 2020, which limits personal gatherings to no more than 10 individuals.

2021 Budget Hearings: The 2021 budget hearings are scheduled for Thursday, November 12, 2020 at 2:30 p.m. Please visit the website or contact management to confirm the meeting location details.

Board Vacancies: There are currently vacancies on the Boards of District Nos. 2 and 3. Interested parties should contact management for more information.

Authority Parking Areas: As a friendly reminder, the Authority has parking regulations in place that regulate the time and manner in which motor vehicles can be parked in the Authority’s parking areas. Please visit the website to view a copy of the parking regulations.

Connect with us: Please visit our new website at: <https://saddlerocksouthauthority.colorado.gov/>. Email blasts are also routinely sent out with community updates. If you would like your email address added to the distribution list, please email SaddleRockSouth@wbapc.com.

To report a concern or request information, please contact management at SaddleRockSouth@wbapc.com or (303) 858-1800.
