Saddle Rock South & East Pools: As a reminder, there is a reservation system in place for the 2020 pool season. Each household has unlimited reservation access, but each reservation is limited to 8 members per household for 2-hour time slots. The pool areas are only available for residents and those in your household this season (no guests allowed). Social distancing requirements are in place. We request that parents take the initiative to watch their children and enforce the 6-foot social distancing requirement, so the lifeguards can focus on the safety of those in the water and increased sanitation protocols. Face masks are now required in the pool restrooms for all individuals over the age of 5 years. Please see the updated face mask requirements below. Pool Reservation Link: <https://saddlerockauthority.as.me/schedule.php>

Updated Face Mask Requirements: Pursuant to the Public Health Order issued by the Tri-County Health Department (“TCHD”), effective July 24, 2020, facial coverings are required to be worn in public for all individuals over the age of 5 years where social distancing cannot be maintained. Please visit the TCHD website for further information: <https://www.tchd.org/825/Public-Health-Orders>

New Parking Regulations: New parking regulations have been put in place, and are effective immediately, which clarify that parking areas owned by the Authority are reserved solely for guests for a period of 24 hours or less. A copy of the new parking regulations is attached here, including the Authority’s parking area map.

Community Clubhouse: The clubhouse remains closed to rentals at this time. We continue to monitor public health orders and local, state, and federal mandates to assess reopening and will provide updates when available. Once the clubhouse is able to safely reopen, we will be excited to share the newly renovated space, which includes new carpet, fresh paint, and new furniture and décor!

Tennis Courts, Basketball Court, and Playgrounds: The tennis courts, basketball court, and playgrounds are open. No more than 25 people are allowed at each location at a time. Please remember that facial coverings are required to be worn in public for all individuals over the age of 5 years where social distancing cannot be maintained. These facilities are not being cleaned or disinfected, so please play at your own risk.
